## Mosat Cleaning

*Photoshop / Illustrator*

A sleek and professional logo design for an office cleaning company, combining clean lines and modern typography to reflect the brand's focus on cleanliness, efficiency, and reliability. The design emphasizes a fresh, polished look with subtle imagery, ensuring a memorable and trustworthy visual identity.

## NDNS

*Photoshop / Illustrator*

A bold and dynamic logo for a consulting company specializing in business improvements. The design features strong typography and clean geometric elements to convey growth, innovation, and professionalism. This modern and sophisticated logo represents the company's focus on driving success and continuous improvement for their clients.

## Tartaleta Pasteleria

Photoshop / Illustrator

A beautifully intricate logo for a pastries and cake company, inspired by the delicate patterns of mandalas. This design combines symmetry and elegance, using soft, inviting colors to evoke a sense of warmth and indulgence. The mandala elements reflect the company's artistry and attention to detail, creating a harmonious and memorable brand identity.

## OTOMED

Photoshop / Illustrator

A modern and refined logo for an otorhinolaryngology clinic, symbolizing health and precision. The design incorporates clean lines and subtle ear, nose, and throat imagery, paired with calming colors to evoke trust and professionalism. This logo captures the clinic's dedication to specialized care and patient well-being, ensuring a strong and reassuring visual identity.

## The LivingRoom

*Photoshop / Illustrator*

A stylish and inviting logo for a lounge café, blending elegance with a minimalistic style. Featuring a sleek typography, the design captures the perfect balance between relaxation and sophistication. This logo reflects the café's unique atmosphere, making it a welcoming space for social gatherings.

## Doula & House Care

*Photoshop / Illustrator*

A warm and nurturing logo designed for a doula and house care service, symbolizing comfort, support, and well-being. The design blends soft, organic shapes with calming colors to reflect care, trust, and holistic support for families. This elegant and welcoming logo creates a strong, heartfelt connection with clients.
